# DEDICATION TO: MR. DONALD M. JACOBS

Behind every man is . . . a gracious lady.

For anything worth having one must pay the price; and the price is always work, patience, love, self-sacrifice--no paper currency, no promise to pay, but the gold of real service.

John Burroughs

The men and women who have the right ideals . . . are those who have the courage to strive for happiness which comes only with labor and effort and self-sacrifice, and those whose joy in life springs in part from power of work and sense of duty.

Theodore Roosevelt

Life affords no higher pleasure than that of surmounting difficulties, passing from one step of success to another, forming new wishes and seeing them gratified.

Samuel Johnson

In my past four years at Kents Hill School, I have always admired the patience and objectivity of Mr. Jacobs.

It takes a man of great wisdom and strength to bear the title of a headmaster. Mr. Jacobs has matured this theme through his ability to satisfy both his peers, parents and students. He is a man of action, common sense and deep thought; a man fully appreciated and respected by the community.

Connie Feehan

Every human being has a work to carry on within, duties to perform, abroad, influence to exert, which are peculiarly his, and which no conscience but his own can teach.

## ALUMNI LACROSSE GAME

The first of, hopefully, an annual Lacrosse game between the Kents Hill Alumni and the 1977 Kents Hill Varsity Lacrosse squad was a great game and a learning experience for the current Huskies. A lot of talent was on the field at all times and it was particularly pleasing to the old coaching staff to see their "old" player veterans indeed improve their skills so well. Leading the pack as organizer coach and outstanding mid-fielder was Kevin Colley. The "power" was still there as mid-fielder Hays Browne, Ed Pelton, Rick Smart, Kinsley Sykes. Attackers: Andy Smith, Kemp Carey. Defense: Jeff White, Pete Lord. Goalie: Howie Beach.
